

CENTRAL UTAH WATER
CONSERVANCY DISTRICT

2017 Smart Controller Rebate Program

Central Utah Water Conservancy District (CUWCD) offers a rebate on the purchase of an EPA WaterSense® labeled smart controller, which can help reduce water waste by using local weather and landscape conditions to apply water only when needed. A list of qualifying smart controllers can be found at www.epa.gov/watersense. Smart controllers that are not on this list do not qualify for a rebate from CUWCD.

To be eligible for a CUWCD rebate, a property must be located in one of the following counties:
Duchesne • Juab • Salt Lake • Sanpete • Uintah • Utah • Wasatch

REBATE AMOUNT: 50% of the purchase price (excluding tax, shipping, & installation costs)

Residential properties: up to \$150

Commercial properties: up to \$1500

New for 2017! Online Application Form at rebates.cuwcd.com

Before Making Your Purchase

- Review the most updated program rules & status at rebates.cuwcd.com (see rule 21 below)
- Be sure to not use gift cards, in-store credit, rewards points, etc. towards your purchase (see rule 6 below)

Items Needed for Application

- Water utility account number (from your water bill)
- Legible pdf or jpg of the sales receipt/invoice
- Photo of the installed controller (see rule 9b below)
- Photo of the installed weather station/sensor if the controller has one

Program Rules

1. Product must be purchased between January and October of 2017
2. Product received as a gift or won as a prize does not qualify for a rebate; product must be purchased by the applicant
3. Applicant must be the owner of the property where the product is installed
4. Rebate amount is 50% of the purchase price (excluding tax, shipping, & installation costs), not to exceed \$150 per residential property or \$1500 per commercial property
5. Each residential property is allowed a one-time rebate on one controller per 5-year period; commercial properties may qualify for additional controllers
6. Rebate amount will be determined by CUWCD staff based on actual money spent; the use of gift cards, in-store credit, rewards points, etc. may reduce rebate amount or disqualify rebate
7. Product must be installed before the application is submitted
8. Applications must be submitted within **90 days of the purchase date and by October 31, 2017**
9. Application form must be accompanied by:
 - a. A legible sales receipt/invoice showing the purchase date, the product name/make/model number, the purchase price, and that it was paid
 - b. A photo showing that the controller has been installed (protective box must be open)
 - c. A photo of the installed weather station/sensor if the controller has one
10. Submitting an application form does not guarantee a rebate will be issued
11. CUWCD staff may request to verify installation of product before approving a rebate; if requested, applicant must agree to allow CUWCD staff to access the property for installation verification, or the rebate will not be approved
12. Receipts/invoices from a company with which the applicant is affiliated are not accepted
13. CUWCD reserves the right to deny any application that appears to be deceptive or fraudulent in any way
14. Applicant is encouraged to retain a copy of the email received after the application form is submitted
15. Applicant agrees to allow CUWCD access to the water use data of the property to help determine the effectiveness of the rebate program
16. Rebate checks will only be mailed to the applicant, not to a third party
17. Failure to cash a rebate check within 90 days of issuance shall void the rebate and shall relieve CUWCD of any obligation to pay the rebate; rebate checks will not be reissued
18. Rebate is only offered on EPA WaterSense® labeled smart controllers
19. To be eligible, a residential property must be located within one of the following counties: Duchesne, Juab, Salt Lake, Sanpete, Uintah, Utah, or Wasatch
20. Allow 10-12 weeks for the rebate to be processed
21. Rebate program is subject to available funds; CUWCD reserves the right to modify or discontinue the rebate program at any time; any changes will be posted at rebates.cuwcd.com
