

2016 Smart Controller Rebate Program Residential Program Rules

For Single-family Dwellings

1. Product must have been purchased during the 2016 year
2. Product that has been received as a gift or won as a prize does not qualify for a rebate; product must have been purchased by the applicant
3. Applicant must be the owner of the property where the product is installed
4. Maximum rebate is \$50 per property
5. Rebate does not cover tax and/or shipping costs
6. Rebate amount will be determined by CUWCD staff based on actual money spent; **the use of gift cards, in-store credit, rewards points, special discounts, etc. may reduce rebate amount or disqualify rebate**
7. Product must be installed before the application is submitted
8. Applications must be submitted within 90 days of the purchase date and by November 30, 2016
9. No application forms from 2015 or older are accepted
10. Application form must be accompanied by:
 - a. A valid sales receipt/invoice showing the purchase date, the product name/make/model number, the purchase price, and that it was paid
 - b. A photo showing that the controller has been installed
 - c. A photo of the installed weather station/sensor if the controller has one
11. Applying does not guarantee a rebate
12. Application forms that are incomplete, inaccurate, illegible, or without a valid receipt/invoice and the necessary photo(s) will not be processed
13. CUWCD staff may request to verify installation of product before approving a rebate; if requested, applicant must agree to allow CUWCD staff to access his/her property for installation verification, or the rebate will not be approved
14. Receipts/invoices from a company with which the applicant is affiliated are not accepted
15. CUWCD reserves the right to deny any application that appears to be deceptive or fraudulent in any way
16. Each property is allowed a one-time rebate on one controller per 5-year period
17. Applicant is encouraged to retain a copy of the application form and receipts/invoices for personal record
18. Applicant agrees to allow CUWCD access to his/her water use data to help determine effectiveness of the rebate program
19. Rebate checks will only be mailed to the applicant at the property address, not to a third party or a PO box; applicant can elect to pick up the rebate check at CUWCD's office in Orem as an alternative
20. Failure to cash a rebate check within 90 days of issuance shall void the rebate and shall relieve CUWCD of any obligation to pay the rebate; rebate checks will not be reissued
21. Rebate is offered only on EPA WaterSense labeled smart controllers
22. To be eligible, a residential property must be located within one of the following counties: Duchesne, Juab, Salt Lake, Sanpete, Summit (Francis & Woodland areas only), Uintah, Utah, Wasatch
23. Allow 10-12 weeks or longer for the rebate to be processed
24. Rebate program is subject to available funds and may end before November 30
25. CUWCD reserves the right to modify or discontinue the rebate program at any time; changes will be posted on the website
